

Engr. Moez-ul-Hassan

Designation	Lab Engineer, Mechatronics Engineering.
E-mail	moez.hassan@szabist.edu.pk
Academic Carrier	MSc-Control System (thesis in progress), PNEC, NUST. B.E. (Electronics Engineering), NED University, Karachi.
Expertise	1. Fuzzy Logic Controller 2. Dynamic Control System 3. Sensor and Instrumentation 4. Renewable Energy
Teaching Experience	2 years
Research Experience	3 years
Professional Memberships	International Association of Engineers (IAENG), PEC
Teaching Interest	1. Dynamic Control System 2. Sensors and Instrumentation 3. Digital Signal Processing 4. Engineering Mathematics
Research Interest	Analog Circuit Designing, Algorithm Designing
Honors	Thesis fully funded by ICTR&D 2 nd position in Best IT innovation Award 2012 (BITA"12), COMSAT 3 rd position in SPEC 2008" held at NED University of Engineering & Technology
