COMPREHENSION

In this part you will be given a series of written (sentences, short paragraphs etc.). This is followed by questions about the meaning of the material. You are to choose the one best answer to each question from the choices given. You will be given **5 such Questions**. Example:

Read the following simple passage.

Marianne Moore was born in St. Louis in 1887 and graduated from Bryn Mawr College in 1909. She taught stenography for a few years and then worked as a librarian in New York. She was a member of the editorial staff of the famous literary magazine the Dial from 1925 to 1929. Although a book of her poems titled Observations was published in America in 1924, Miss Moore has only recently the full acclaim she deserves.

When did Miss Moore graduate from college?

- a. 1887
- b. 1909
- c. 1925
- d. 1924
- e. None of the above

Correct Answer: B

- c. Business Recorder
- d. Telegraph
- e. Frontier Post

Correct Answer: D

Analytical Section 20 Questions

Question: Equating business size with success is a holdover from a market place driven by the economies of scale created by mass manufacturing and mass marketing. When it comes to return on investment, bigger isn't necessarily better as small-time entrepreneurs with homegrown web sites demonstrate. Which of the following conclusions can be most reliably drawn from the information above?

- (A) Small entrepreneurs are more aggressive than large, established businesses.
- (B) Small businesses do not rely on the economies of scale of mass manufacturing and marketing.
- (C) The web is not particularly well suited to conducting business on a large scale.
- (D) Large businesses are no longer able to compete effectively against small businesses.
- (E) None of above

Correct Answer: B
